

BLUE RIDGE-UA, 4H FAB LAB

THE UNIVERSITY OF ARIZONA
COLLEGE OF AGRICULTURE & LIFE SCIENCES
Cooperative Extension

Grand Opening Thursday, January 18, 2018

The BR-UA, 4H FAB LAB is the first and only public school member of the MIT FAB LAB network in Arizona.

When: January 18, 2018 from 4:00 to 7:00 pm

Where: In the BR-UA, 4H FAB LAB, 1200 W White Mountain Blvd, Lakeside AZ, 85929 (former elementary school)

What is a FAB LAB?

A FAB LAB is an “open source, open door” digital fabrication facility, where K-12 students and community members have access to digital design tools, electrical platforms, hardware/software, coding and training opportunities to make their projects a reality. FAB LAB is a place and program where students, parents and community members interact, learn and create in an atmosphere of 21st century skills and tools.

Why attend the Grand Opening?

Learn how your students and school can become part of the 4-H Youth Development FAB LAB and see the most comprehensive 21st century learning facility in Arizona. Learn how you can become a part of the FAB LAB program.

Need more information?

Visit the district web page to find out more about what a FAB LAB is and how it can benefit our students and community.
