Michael Granillo	1st Quarter		Week Beginning: August 7 - 10
School Year: 2023-24	Subject: Algebra 2		

	Notes:	Objective / Lesson Overview	Academic Standards
Monday	Notes:	Objective: Students will write linear equations in standard, slope-intercept, and point-slope forms Lesson Overview: 2.3) We will look at equations in one form and convert to another. Based on additional information (y-int or another point) we will choose the best form of a line.	Academic Standards: A.CED.2 F.IF.6
Tuesday	Notes:	Objective: Students will solve systems of equations by graphing Lesson Overview: 2.4) We will work on graphing two or more lines to determine the number of solutions.	Academic Standards: A.CED.3 A.REI.11
Wednesday	Notes:	Objective: Students will solve systems of equations by using elimination or substitution Lesson Overview: 2.5) We will look at when and how to use both substitution and elimination to solve a 2 equation system, including no solution and infinitely many solutions.	Academic Standards: A.CED.3
Thursday	Notes:	Objective: Quiz over lessons 2.1 to 2.5 Lesson Overview: Quiz on solving equations, inequalities, and systems	Academic Standards: N/A
Friday	Notes:	Objective: Lesson Overview: No School	Academic Standards:
