School Year: 2024-25		Subject: Dual Enrollment Government/Economics	
Monday	Notes:	Objective: Lesson Overview: N/A	Academic Standards:
Tuesday	Notes:	Objective: Develop a working knowledge of Congress and congressional election processes. Lesson Overview: READING: Finish CH 11 by Monday! (Key Terms Quiz Friday). We're going to jump around a bit, since I don't like the way the textbook orders content by chapter from this point forward. Tuesday - Introduce CH 11, Congress (We're going to hit the 4 key areas of the federal government - Congress, Presidency, Supreme Court, Bureaucracy). Warning, this isn't the most exciting content, but it's necessary.	Academic Standards: POS Standard 7
Wednesday	Notes:	Objective: Develop a working knowledge of Congress and congressional election processes. Lesson Overview: Wednesday - We'll work through CH 11 (Congress), focusing on how Congress actually functions (bill development and passage, other rules of Congress). Homework For Thursday: Find the most gerrymandered legislative districts in the US, be prepared to present them in class. In Class: Go to the New York Times site and play the Gerrymandering game, see how you do. We'll discuss it in class. NYT Gerrymandering GameLinks to an external site.. If the link doesn't work, try a web search (the link may block you from playing, that's happening to me now). Read the rules carefully before you play, see if you can get a high score. Review the following sites, articles: Arizona Redistricting CommissionLinks to an external site., Princeton Gerrymandering Report on ArizonaLinks to an external site.	Academic Standards: POS 110 Standard 7
