If you'd like to get a jump-start on back-to-school shopping, you can check out our supply list and our dress code at the link below. Please note, students will not need all the items listed on the supply list during the first week of school. This is a comprehensive list, and the teachers will inform students about supplies they will need in their classes.

#### **Quarter 1 Sports**

In an effort to streamline our registration process for sports, parents will now be using [registermyathlete.com](http://registermyathlete.com) to submit required documentation for sports. Physicals and other documentation will be uploaded directly to this site. Students must have a current AIA physical uploaded before participating in sports. Parents will need to create an account to begin the process.
